Approval is requested for the following purchase order to be issued on a time and material basis for System Two of Contract A-101:

This purchase order is to be placed on a time and material basis with the best qualified source as a result of competitive bidding.

<u>Vendor</u>	<u>Requisition No.</u>	<u>Purchase Order No.</u>	<u>Amount</u>
Basic Tool Industries	As required	25-17892	Not to exceed \$6,000.00 at straight time rate of <u> </u> hour. 25X1 Plus material at cost.
